

Building Maintenance Ministry

The Building Maintenance Ministry is a Facilities & Safety Ministry of the Circle of Care.

The Facilities & Safety Ministries Mission Statement:

Provide a safe, well-maintained and engaging environment to worship God

The Building Maintenance ministry ensures the church building makes a favorable first impression through routine maintenance. While the building is professionally cleaned a couple times per week, there are a lot of things required from time to time to keep the facilities functioning properly and looking nice. You can support the Building Maintenance ministry in the following ways:

- Participating in cleaning days
- Periodically vacuuming the pews
- Changing lamps throughout the building
- Washing windows
- Cleaning the plants above the baptistry
- Painting walls as needed
- Roof repairing as needed
- Drywall repairing as needed
- Deep cleaning chairs, carpet, upholstery, etc.
