

## **Community Outreach Ministry**

The Community Outreach Ministry is a Benevolence Ministry of the Circle of Care.

The Benevolence Ministry Mission Statement:

*Serve the needs of the Body of Christ and encourage those outside of the Body*

The Community Outreach ministry reaches out to the community via other organizations. This ministry collects donations from the congregation and distributes them to organizations such as “Dress for Success” and “OCJ Kids.” You can support the Community Outreach ministry in the following ways:

- Participate in conducting clothing drives throughout the year for “Dress for Success”
- Participate in conducting suitcase drives for foster children who are “aging out” of the State foster care program
- Participate in coordinating collections for disaster relief
