

Foyer Monitor Ministry

The Foyer Monitor Ministry is a Communication Ministry of the Circle of Care.

The Communication Ministry Mission Statement:

*Communicate information to promote fellowship with the local Body of Christ
and potential members through the use of various technologies.*

The Foyer Monitor is one of the first things people see as they enter the building. Originally intended to be a message board of current and upcoming events, we've had challenges keeping the Foyer Monitor up to date with the congregation's current events. If you enjoy learning about and using technology, we could use your help! You can support the Foyer Monitor ministry in the following ways:

- Learn how to program the Foyer Monitor
- Update the information on the Foyer Monitor weekly with both recent past and present events.
- Obtain pictures of events that happen at West Olive to place on monitor. Also share photos with the Audio/Visual ministry as necessary
