

Grounds Maintenance Ministry

The Grounds Maintenance Ministry is a Facilities & Safety Ministry of the Circle of Care.

The Facilities & Safety Ministries Mission Statement:

Provide a safe, well-maintained and engaging environment to worship God

The Grounds Maintenance ministry ensures the grounds and landscape make a favorable first impression through routine maintenance. While the landscaping is professionally maintained, there are occasions when a little extra help is needed to keep the facilities looking nice. You can support this ministry in the following ways:

- Participate in outdoor cleanup days
- Keep the Trash Bin area clean
- Re-paint the parking lot stripes
