

Home Bible Study Ministry

The Home Bible Study Ministry is an Education Ministry of the Circle of Care.

The Education Ministries Mission Statement:

*Educate God's people with God's Word to increase faith
and equip the saints for works of service.*

Home Bible Studies occur throughout the week at various members' homes for the purpose of fellowship and increasing Biblical knowledge. The purpose of the Home Bible Study ministry is to inform the congregation who, when and where home bible studies are occurring. You can support the Home Bible Study ministry in the following ways:

- The Organizer keeps track of who is conducting Home Bible Studies and when they meet so that other members may participate, subject to the one conducting the Home Bible Study
- Home Bible Studies must be Bible based and teach sound doctrine in accordance with the Word of God
- The Home Bible Study teacher generates and presents the Bible Study material
- Format and structure are up to the Home Bible Study teacher
