

## **Information Sharing Ministry**

The Information Sharing Ministry is a Communication Ministry of the Circle of Care. The Communication Ministry Mission Statement:

*Communicate information to promote fellowship with the local Body of Christ and potential members through the use of various technologies.*

The Information Sharing Ministry coordinates communication among the Circle of Care ministries to keep the members informed of events occurring within the Circle of Care ministries. You can support the Information Sharing Ministry in the following ways:

- Maintain an online calendar for ministry meetings
- Keep members informed of events via e-mail, texting and/or other mediums
- Assist ministries with communication needs
- Inform the Office of updates to the bulletin, calendar, events, etc.
- Update the Congregation's Web Site [www.westolive.com](http://www.westolive.com)
