

Member Visitation Ministry

The Members Visitation Ministry is a Benevolence Ministry of the Circle of Care.

The Benevolence Ministry Mission Statement:

Serve the needs of the Body of Christ and encourage those outside of the Body

The Member Visitation Ministry reaches out to New Members, Members in Hospitals, Shut-ins, and others who may need encouraging and uplifting through fellowship. This ministry is in addition to visits made by your Elders. It has been observed that the more visits a person receives, the more connected they feel to the congregation.

You can support the Member Visitation Ministry in the following ways:

- The Organizer makes a set of Yellow Visitation Cards using the Absentee List, New Members announcements, and/or the prayer list each week to place on the Member Visitation Board.
- Check the Member Visitation Board in the Fellowship Hallway weekly for cards of those who would appreciate a visit.
- Arrange a visit with the one(s) whose cards you've selected that week.
