

## **New Member Orientation Ministry**

The New Member Orientation Ministry is a Service Ministry of the Circle of Care.

The Service Ministries Mission Statement:

*Provide opportunities to serve God through serving others*

The New Member Orientation Ministry assists new members in becoming active thriving members in the body of Christ. The New Member Orientation Ministry ensures each new member is given a Welcome Packet and follows up with the new members to encourage them to complete and return the requested information in the Welcome Packet, get their picture taken, and introduces the new members to four to six families at West Olive.

You can support the New Member Orientation Ministry in the following ways:

- Ensure each new member receives a Welcome Packet
- Follow up with the new member to encourage completion of the items in the Welcome Packet
- Introduce new members to the congregation's photographer to have their picture taken
- Introduce new members to four to six families at West Olive who share common interests with the new member
- Take the new members on a tour of the facility, showing the kitchen, the classrooms, where the fire extinguishers are, rest rooms, exits, etc.
- Coordinate New Member Luncheon with Elders on a quarterly basis
