

Photography Ministry

The Photography Ministry is a Service Ministry of the Circle of Care.

The Service Ministries Mission Statement:

Provide opportunities to serve God through serving others

The Photography Ministry takes digital pictures of new members and of events that take place at West Olive. The digital picture files of the new members are given to the Office for placing in the Member Directory and on the Member board in the foyer. The digital picture files of the events are shared with the Foyer Monitor Ministry and the Audio / Video Ministry and Social Media ministry for display on the those mediums. You can support the Photography Ministry in the following ways:

- Set up a time with new members to take their picture, usually before or after Assembly times
- Take pictures of the new members in the area set up for member photo shoots
- Take candid pictures at events such as pot lucks, showers, group events, ministry meetings, etc. with a mindset of creating a scrapbook
- Take pictures of people being baptized
- Transfer picture files to the Office
- Maintain Congregation Membership Picture Board in Foyer
- Make picture files available to the Foyer Monitor ministry, the Audio / Visual ministry, and the Social Media ministry
