

## **Serve Communion to Shut-ins Ministry**

The Serve Communion to Shut-ins Ministry is a Service Ministry of the Circle of Care.

The Service Ministries Mission Statement:

*Provide opportunities to serve God through serving others*

The Serve Communion to Shut-ins Ministry consists of multiple teams of two people, generally married couples, who take and share communion with the congregation's shut-in members each Sunday afternoon. Shut-ins appreciate sharing the Communion with those serving it and enjoy the fellowship. Currently, two teams serve communion to the Shut-ins each Sunday. Teams rotate weekly, so each pair of people serve once per month. You can support this ministry in the following ways:

- Present a short devotional centered on the death of Jesus Christ
- Take communion with the Shut-in
- Fellowship with the Shut-in. For some of our Shut-ins, it will be one of only a few visits they will receive that week.
- Deliver a bulletin to the Shut-in
- Pray with the Shut-in
