

Social Media Ministry

The Social Media Ministry is a Communication Ministry of the Circle of Care.

The Communication Ministry Mission Statement:

*Communicate information to promote fellowship with the local Body of Christ
and potential members through the use of various technologies.*

The Social Media Ministry communicates to the world about the Body of Christ at West Olive through Facebook, Twitter, Instagram and other social media platforms. Content shared on the Congregation's social media platforms reflect the nature and character of the congregation and always glorify God and magnify His Name. You can support the Social Media Ministry in the following ways:

- Maintain the Congregation's online presence on Facebook, Twitter, and Instagram
