

## **Transportation Ministry**

The Transportation Ministry is a Service Ministry of the Circle of Care.

The Service Ministries Mission Statement:

*Provide opportunities to serve God through serving others*

The Transportation Ministry coordinates rides for members who need a ride to appointments. The Transportation Ministry also coordinates rides for members who are unable to ride in the church vans to services. You can support the Transportation Ministry in the following ways:

- Let the Organizer know when you are available to give people rides to appointments or church assemblies
- Arrange with the member to transport them to their appointment or to services
- Assist the member as needed with their walker, getting into and out of your vehicle, etc.
