

## Van Driver Ministry

The Van Driver Ministry is a Service Ministry of the Circle of Care.

The Service Ministries Mission Statement:

*Provide opportunities to serve God through serving others*

The Van Driver Ministry provides drivers for the church vans and keeps the vans in tip-top shape. The vans are used to give rides to members who need a ride to Sunday morning services. Drivers are appointed for a one-month rotation to give rides for Sunday morning services. You can support the Van Driver Ministry in the following ways:

- Remove the van from the security cage
- Pick up members who have notified the Van Driver Ministry and have them at the building in time to participate in the Bible Classes
- Assist members into and out of the van
- Take members home after the services
- Ensure the van has fuel for the next Sunday
- Park the van in the security cage
